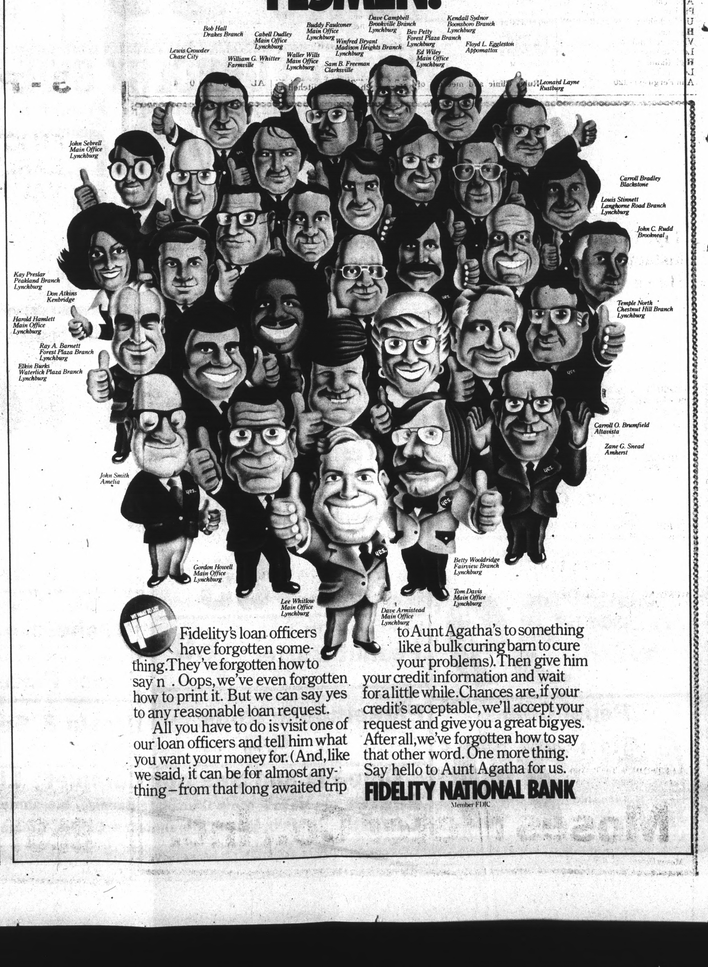
"SERVICE IS OUR BUSINESS - LET US SERVE YOU!"

YESMEN.



Fidelity's loan officers have forgotten something. They've forgotten how to say n . Oops, we've even forgotten how to print it. But we can say yes to any reasonable loan request.

All you have to do is visit one of our loan officers and tell him what you want your money for. (And, like we said, it can be for almost anything – from that long awaited trip to Aunt Agatha's to something like a bulk curing barn to cure your problems). Then give him your credit information and wait for a little while. Chances are, if your credit's acceptable, we'll accept your request and give you a great big yes. After all, we've forgotten how to say that other word. One more thing. Say hello to Aunt Agatha for us.
